Re - Underground drainage scheme for Shimoga town

Sir,

With reference to your letter No L 12333 3243 dated 7-1-1948 addressed to the Chief Engineer for Irrigation, on the above subject, I have the honour to forward herewith, for information, a copy of this office letter No S 102 dated 16-12-1947 addressed to the Secretary to Government, Public Works Department, reporting that the approved contractors viz , Messrs C Perumal Chetty and H Subba Rao failed to start the work inspite of repeated notices issued by the Sanitary Engineer and recommending for the cancellation of their contract and taking up the work departmentally

2 On receipt of orders of Government, arrangements will be made to start the work

Re - Underground drainage for Shimoga Town

With reference to the above subject, I have the honour to state that after an estimate for Rs 5,40,856/- was sanctioned in G O No L 13171-4/M1 77-45-4 dated 28th May 1946, tenders were called for and submitted to Government for approval

2 The lowest tender of M/s C Perumal Chetty and H Subba Rao, Mysore, at 5% above the sanctioned estimate rates was accepted by Government in Order No P W 4210-3/San 6-4-1 dated 8-1-47

3 Necessary agreement was executed by the contractors in their joint names on the 7th March 1947, stipulating that a monthly progress of Rs 12,000/- should be given failing which the terms of the contract will be enforced

4 Irspite of repeated notices issued by the Sanitary Engineer in his Nos 328 dated 8-8-47, 694 dated 13-9-47, 787 dated 25-9-47, 1006 dated 20-10-47 and the final notice issued in No 1198 dated 12-11-47, the contractors have not arranged to start the work One of them has addressed a letter to this office (copy enclosed), wherein he requests that the contract may be changed to his individual name On the other hand Mr H Subba Rao the other partner has addressed the Sanitary Engineer on 12-9-47 (copy enclosed) protesting against any change in the terms of the existing agreement

5 Since there is disagreement between the two parties who have signed the agreement, it might lead to complications and delay if the terms of the agreement are changed now as requested by him

6. In the circumstances, I suggest that the accepted tender for the work may be cancelled and the work carried out on the piecework system under the supervision of the Special Sub Division sanctioned in G O No 8234-7/Est 8-46-16 dated 2-6-47 for aperiod of 3 years Out of Rs 5,40,856/-, the sanctioned amount, the cost of pipes, cement and other materials amount to Rs. 3,50,000/- and the cost of work proper amounts to about Rs 1,09,604/- Since most of the
